*The return of the beloved Scandinavian Moomins in their feature film debut !*

Moomins on the Riviera, features the entire Moomins clan as they embark on a hilarious adventure on the glamorous Riviera. Snorkmaiden is dazzled by the attention of a playboy and Moomin learns that jealousy's sting can be terribly painful. When Moominpappa befriends an aristocrat and adopts the name 'de Moomin', an exasperated Moominmamma retires to the relative calm of their trusty old boat, to wait for her family to come to their senses. For the very first time, the unity of the Moomins is threatened.

Zucchini is an intriguing nickname for a 10 year old boy. Although his unique story is surprisingly universal. After his mother's sudden death, Zucchini is befriended by a kind police officer Raymond, who accompanies Zucchini to his new foster home filled with other orphans his age. At first Zucchini struggles to find his place in this, at times, strange and hostile environment. Yet with Raymond's help and his new found friends, Zucchini eventually learns to trust, finds true love and at last a new family of his own.

# SHELLEY

A FILM BY ALI ABBASI

Louise and Kasper, a Danish couple, live in an isolated villa in the middle of the forest away from modern life, technology and even electricity.

Louise's biggest dream is to become a mother but she is unable to have children. She finally decides, out of desperation, to seal a pact with her Romanian maid, Elena. Elena accepts to bear Louise's child as a surrogate mother in exchange of a large amount of money.

The life growing inside of her is taking shape too fast, affecting the lives of everyone like an evil force.

Paranoia and horror sets around the inevitable birth...

The Johansson family's idyllic summer is brought to a sudden halt as deaths stack up from a virulent strand of the flu. The authorities start off by cordoning-off the neighbourhood, but soon panic and force the inhabitants into quarantine in their hermetically-sealed houses. Isolated from the rest of the world, teen Gustav spies out and realises that the situation is getting out of control. He breaks out, but soon the family of four comes under attack from the wild, blood-thirsty mob who forces them to the extreme to escape alive.

On an isolated island, a group of teenage delinquents living in a youth center wake up to find themselves alone with no one to watch over them. After much partying, their supervisor appears out of nowhere, feverish and shaking. He suddenly attacks the students. They fight back and kill him accidentally, leaving them with no choice than to flee the crime scene. As they run away, they realize the island has been deserted. Almost. The few adults they encounter on their journey all seem to be infected by a mysterious epidemic, making them violent and dangerous. It gradually becomes clear to them that children and adolescents aren't affected by this disease. In order to survive, they need to respect one golden rule : DON'T GROW UP. But one of them is turning 18 very soon...
