Critically acclaimed Joachim Lafosse brings to the screen the Zoe's Ark controversy which made headlines in 2007 : a story about the limits of the right of interference.

Jacques Arnault, head of Sud Secours NGO, is planning a high impact operation : he and his team are going to exfiltrate 300 orphans victims of Chadian civil war and bring them to French adoption applicants. Françoise Dubois, a journalist, is invited to come along with them and handle the media coverage for this operation. Completely immersed in the brutal reality of a country at war, the NGO members start losing their convictions and are faced with the limits of humanitarian intervention.

Kapuschinski lauded to the skies by John Le Carré and Gabriel Garcia Marquez, as a legend.

Warsaw, 1975.

Kapuscinski (43) is a brilliant veteran journalist but also an idealist, a friend of lost causes and revolutions.

He convinces his boss at the Polish Press Agency to send him to Angola where a bloody civil war broke out on the eve of its independence. He embarks on a seemingly suicidal road trip into the heart of the civil war. There, he witnesses once again the dirty reality of war and discovers a sense of helplessness previously unknown. Angola will change him forever.

A reporter traveled to Angola but a writer returned.

SHELLEY

A FILM BY ALI ABBASI

Louise and Kasper, a Danish couple, live in an isolated villa in the middle of the forest away from modern life, technology and even electricity.

Louise's biggest dream is to become a mother but she is unable to have children. She finally decides, out of desperation, to seal a pact with her Romanian maid, Elena. Elena accepts to bear Louise's child as a surrogate mother in exchange of a large amount of money.

The life growing inside of her is taking shape too fast, affecting the lives of everyone like an evil force.

Paranoia and horror sets around the inevitable birth...

Zucchini is an intriguing nickname for a 9 year old boy. Although his unique story is surprisingly universal. After his mother's sudden death, Zucchini is befriended by a kind police officer Raymond, who accompanies Zucchini to his new foster home filled with other orphans his age. At first Zucchini struggles to find his place in this, at times, strange and hostile environment. Yet with Raymond's help and his new found friends, Zucchini eventually learns to trust, finds true love and at last a new family of his own.
